With the weather getting better, numbers training rise throughout the summer. The club has to ensure that the athlete to coach ratio is safe which means that there may be a need again this year to start a "WAITING LIST" for new younger members.

### **From April 2019 onwards:**

Athletes should arrive at the main athletics track gates for the start of the sessions between 17:50 - 18:00. They warm up together from 18:00 and are then given the opportunity to split up into groups to receive coaching in different events - run, jump and throw. This may vary from one week to another depending on number and coach availability.

The 18:30 - 20:00 endurance running and older sprints groups will continue to meet at the usual times unless other arrangements have been made by the coaches who run these sessions.
